Term 4 - Week 5

Friday 15 November 2019

Dear Parents and Carers,

What a wonderful week of learning and celebrations we have had. I am so impressed by the large number of students demonstrating exemplary behaviour as respectful learners at the school with their achievement of their Gold Awards.

I was impressed by the Year 5 Captains speeches today, the standard was extremely high and we are very proud of all the candidates. The outcome of today's speeches and voting process will be announced at the upcoming 3-6 Presentation Day on Wednesday 11th December.

Student Phone Practices

There has been a recent increase in students bring phone devices to school. We ask you to support the school practices that are in line with the department's policies that requests that all phones are turned off during the school day and outlines that all devices are to be held in the class device bucket. Students who inappropriately use devices at school will be spoken to and their WIFI access may be revoked if misuse of this practice continues.

Community use of bathroom facilities

A reminder that adults are not to enter the student's bathrooms for any reason. If bathroom facilities are required for toddlers, parents or carers we request that you access the toilet outside the library.

Colour Run

What a spectacular day of colour! Both students and staff had a fabulous time at our Colour Fun Run. I would like to thank Mr Omar and Miss Morrison for their organisation to coordinate this sophisticated event for 850+ students. The money raised will contribute to the current playground upgrade and purchasing new technology.

Playground upgrade

Work commenced for the COLA this week. The frame will be installed from the 25th November and will take approximately 3 weeks to complete. Following this the school will install soft fall on the ground. The design of the soft fall will be in consultation with the SRC. Although a thorough risk assessment has been completed, we would appreciate your help during the building work by asking you to remind your children to stay away from the fencing when possible. As a large section of the playground is currently closed, Mr Omar has coordinated with the council for the students to access Bill Whalley Reserve. Your child's general permission to walk note covers their access to the reserve.

Returning to School in 2020

In the next few weeks, I will need to submit a revision of our anticipated enrolments for 2020. The accuracy of this information is vital as it affects our staffing entitlements and resource funding by the Department. At present, our projected enrolments for 2020 indicate that we will maintain our current class structure of 33 classes. It is very important that you inform the school if you are not expecting your children to return to Carlton PS in 2020. Many thanks for your support with this important information or if you will returning late due to travel plans.

Kind Regards

Kylie McKinnon - Relieving Principal

Class awards were presented to students during Stage Assemblies this week!

Congratulations everyone! Stage Two and Three had Class Captain Speeches so did not present awards.

Happy Feet and Little Cottage Visit CPS

During the week our favourite little neighbours from Little Cottage and Happy Feet came to see what "Big School" was all about! We enjoyed your visit! We look to seeing lots of you next year! Thanks to Emma and Hermes from K Blue who were fabulous tour guides!

ARABIC NEWS

In Term 4 Arabic students are reading books and using 4C's Arabic activities to help them to tell stories about fables and folk tales. Stories are:

"Mrs Wishy Washy" " The Hare and the Tortoise" " Jeha, His Son and the Donkey"

"Ali Baba and the Forty Thieves" "The Great Magician" and other books.

All stages are reading, telling the story, performing and doing activities related to their books. Also they are doing Art work by drawing characters and by decorating masks and using Aboriginal Art.

Kindergarten are enjoying the Bus Stop and activities in the book:"Mrs Wishy Washy".

Stage 1 students are making a tableau to represent the beginning, the middle and the end of the story " The Hare and the Tortoise". Also, they collaborated and participated in making a class book. The lesson learned is: Do your best, keep working till you achieve your goal.

Stage 2 students are using the book: "Jeha, His Son and the Donkey". They use "Pass the Clap" by using expressions to tell the story in a group. They made a tableau representing the story. Also, they collaborated and participated in making a class book. The lesson learned is: Do what you think is right and don't worry about what people say.

Stage 3 students enjoyed the stories and made a tableau. During team teaching, students from year 6 listened to "The Great Magician" and each student told the story to the class. Also they listened to "Ali Baba and the Forty Thieves". They changed the end of the story and they answered a question about being a character in the story with a problem; what would they do?.

I would like to take the opportunity to congratulate Stage 3 students who learned about Khalil Gibran and participated in Mirath in Mind Art and Quiz. Especially students who got High Distinction: Mira B, Jawaad H and Aya M .

SCHOOL FUN RUN

What a great day our first Colour Run was! If the smiles were anything to go by then it was a roaring success. Many thanks to all our amazing volunteers who helped in so many ways. These included selling gelato, throwing coloured chalk, marshalling children and taking photos. Miss Morrison and Mr Omar were also thrilled by the incredible fundraising efforts of our school community who collected approximately \$30,000.

Click here to see a collection of fabulous photos!

21-24 NOVEMBER

THE UNKNOWN

A JUNIOR ENSEMBLE PRODUCTION

In another place, one you might know, the Numbers of the Clock keep time ticking. Beyond The Clock of Gold lies everything they do not know; The Unknown. Each hour, the Numbers 1 to 12 must restart the Clock to keep the looming Unknown at bay. But in a second, Numbers 11 and 12 are erased, and their world becomes unhinged. Time is running out. In order to slow down time and restore order, the Numbers must brave The Unknown and face a chaotic timelessness.

Shopfront's Junior Ensemble, in collaboration with co-directors Bonnie Cowan and Tegan Arazny, invite audiences to notice the timeless and extraordinary moments of the everyday.
